Two questions related to the wall of stone and wall of revealing light class feature. Does one source of damage such as a Red Dragon's breath or of a concentrated area spell such as Aganazzar's mantle work to bypass this ability to a point to damage? Does this count towards any number of friendly fire dots that might be coming from the same source? A: Wall of Stone and Wall of Revealing Light only block damage. They do not reduce damage. From the official spell description: You create a 20-foot-radius sphere of magic centered on a point you designate. All creatures and objects in the area are cloaked by invisibility. This spell has no effect on creatures or objects that end their turn in the area. Phantasmal Wall of f678ea9f9e
